

Congratulations!

To these street children, our partners in Ghana and Zambia and YOU, for making the dream of an education possible for

After finishing his High School education, he graduated this year with merit in Carpentry and Joinery, has found work and helps street children as a volunteer.

Twin sisters **Martha and Mary** who were among 84 children who graduated from Street Girls Aid's Early Childhood Centres into Primary School in Accra Ghana. Well done Martha and Mary and Good luck in your new school!
