## A to Z of fund-raising ideas

Every fundraiser has individual talents, skills and abilities. Fundraising ideas are often the most successful when they come from recognising these talents and using them to their full advantage.

Unusual events are often the best for attracting both sponsors and publicity, so be creative! However, don't forget all the old favourites too.

**Before organising any fundraising event, please contact Duncan or Cara at Street Child Africa to let us know what you are doing - we can help and advise you with your event.**

*If you are under 16 you must get your parents' permission before you start fundraising.*

So, here's our list of fundraising ideas to get you started in your quest to organise an outstanding event!

## **The easy way to raise sponsorship!**

If you're planning to enter a sponsored event for us, you can now raise your sponsorship money without even leaving your chair. No more dealing with cash or cheques, no more hassling friends and family.

All you do is create your own Internet sponsor page, email it to all your friends and get them to donate quickly and easily online with a credit or debit card. Plus, online donations from UK taxpayers collect a 28% tax bonus!

Just go to [www.justgiving.com/charity/streetchild](http://www.justgiving.com/charity/streetchild), go to the "Raise Money" area and then "View Events", select the one you are interested in, then follow the simple instructions to personalise your page. By creating your own online sponsor page you can:

- Email the page to all your friends
- Watch your total grow on screen
- Include a photo and personal message
- Update your target amount as often as you like
- 28% tax bonus added to donations
- No need to deal with cash or cheques

We have teamed up with Justgiving, the charity website that automatically reclaims 28% tax on every donation from a UK taxpayer - making it quicker for you to reach your target amount and ensuring more money goes to help our cause. Its secure servers mean all card information is totally safe.

***So set up your page now - and make the most of the Internet!***
